The casino platform will allow holders of \$867 tokens to access and play a wide range of casino style, casino tournament style games, and skill based games. Minimum holding requirement details will be revealed as we get closer to the release of our V2 gaming platform.

There is no direct wagering of the \$867 token or any other crypto currencies in our Casino. So you never have to worry about losing any of your investments.

All games are free to play, but entry into the exclusive "\$867 High Roller" rooms will be based on your holdings of the \$867 tokens, and will be checked via wallet integration. The Jackpots and Prizes in these rooms are going to BLOW YOUR MINDS!!!

We have a list of casino style games being worked on NOW! THE PLAN IS TO RELEASE NEW GAMES EVERY FEW WEEKS, and run massive airdrops with each new release! The \$867 Casino is all about community fun, and WINNING BIG!
